INTRODUCTION

Hello, my name is [interviewer name], and I'm calling to speak with [participant name]. Is [participant name] available?

If no → When would it be convenient to call back? _____ Thank you. I will call again.

If yes → Hello, [participant name], this is [interviewer name] with the [MESA/MESA Air] Study. I'm calling to see how you have been since our last telephone interview with you and update our [MESA/MESA Air] records. Do you have a few minutes to speak on the phone?

If No → When would it be convenient to call back? _____
Thank you. I will call again.

If Yes → We'd like to ask you some questions about your general health and specific medical conditions since our last telephone interview with you on _____. I realize that we have asked you some of these questions several times, but learning about changes in your health is very important in helping us understand more about the causes of heart disease and stroke and how these diseases may be related to other things in your life.

First, I'd next like to make sure our records are up to date. Could you please tell me if the following information I have is still correct?
